

The Energy-Q Champions 2011 are here!!

Congratulations to the Delhi Public School, Dwarka team for being the most energy savvy of them all!

*Tata Power Club Enerji informs and educates students through national quiz as part of World Energy Conservation Week celebrations. Of the 200 schools and 70,000 students that participated in the preliminary round, 4 schools made it to the finals. St. Mary's English School, Malad, Dr. S. Radhakrishnan Vidyalaya, Malad, Happy Model School, Delhi and Delhi Public School, Dwarka, Delhi were the four teams that qualified for the Grand Finale. After an intense competition between the schools, team comprising Abhay Baiju, Devansh Gautam and Bhuvesh Mehendiratta from **Delhi Public School, Dwarka, Delhi** emerged as the winners of the quiz contest held at KC College, Mumbai.*

A close look at the finalists

DELHI PUBLIC SCHOOL, DWARKA, DELHI

Bhuvesh Mehendiratta, Class VIII

This lil champ is a science and maths freak who loves reading stuff and solving puzzles. He is not at all an indoor person. He has won a Gold medal in Taekwando by the Delhi state government. He is a huge fan of cricket and enjoys adventurous activities.

Abhay Baiju, Class VIII

An avid reader and an all-rounder in sports. Be it swimming, basketball or any adventurous sports, he will always be ready to be a part of it.

Abhay is active member of his Mini Energy Club and has reduced energy consumption at his residence. He has also sensitised others towards energy conservation.

Devansh Gautam, Class VIII

Devnash hobbies include playing adventurous sports and reading. This intelligent kid has made his family and school proud by winning the International Maths Olympiad and National Cyber Olympiad too!

HAPPY MODEL SCHOOL, DELHI

Nabasindhu Das, Class VIII

Nabasindhu Das is an all-rounder who likes quizzing, playing cricket and football, reading, dancing.

The gold medal in NCO in the year 2009 is an additional feather on his cap.

Rishabh Rathore, Class VIII

Class topper in Science, Rishabh likes playing football and dancing. He keeps himself upgraded with the latest happenings around and makes it a point to participate in all quizzes.

Durgesh Kumar, Class VIII

With numbers on his tips, Durgesh has won many prizes in Maths Quiz. His hobbies include playing football, singing, quizzing.

ST. MARY'S ENGLISH SCHOOL, MALAD

Nikita Iyer, Class VIII

Books interest her and painting is her hobby. This young lady believes that knowledge is not only present in books but is all around.

Nishma Shah, Class VIII

Learning new things is her hobby. Nishma is a voracious reader who likes sketching.

Krutika Patwa, Class VIII

This nightingale is famous for her singing, apart from music colors interests her and she loves painting.

These young girls have their own Mini Energy Club named – Maryites Unplugged. The club has conducted many activities in the school like quizzes, red label campaigns, 'batti bandh' campaigns and sensitised people regarding energy conservation. Each class has an energy club. The club celebrates Earth Hour by requesting society residents to switch off all electrical appliances for an hour. The club has also sensitised car owners to switch off engines at traffic signals and jams.

DR. SARVEPALLI RADHAKRISHNAN VIDYALAYA, MALAD

Kandarp K. Vazir, Class VIII

Football is his passion. Kandarp likes reading in his leisure time.

Naitik Jayesh Gala, Class VIII

All work and no play will make Jack a dull boy. Naitik knows this phrase pretty well. Apart from Science experiments and

reading books he loves to play outdoor sports.

Arvind Ramadurai, Class VIII

Our young Einstein, Arvind, has won 2nd prize at P-Ward Science Quiz competition. He is fond of playing chess and his favorite music instrument is keyboard.
