

CLUB ENERJI PRINCIPALS AND MENTORS MEET 2011

The Meet was organized on 21 September 2011 at the Bombay House. Nearly 200 schools were invited for the Meet, out of which 45 schools had either the Principal or the Mentor or both attending the Meet. In all, 72 school representatives attended the Meet this year.

Dr. Avinash Patkar – Head - Sustainability of Tata Power, welcomed the gathering, highlighted the need for conserving energy and also thanked the schools for their support.

Ms. Shalini Singh, Head – Corporate Communications, then made a presentation on the role of Club Enerji, its achievements and the way forward. She also highlighted the targets set for the current year in terms of energy conservation.

This was followed up with the various recognition for National NESS Award; Best Energy Mentors, Best Mini Clubs, Highest Energy Savers - Energy Champions and the Best Educators (List of Winners mentioned below).

The forum was opened for a Q& A session, which had very enthusiastic response with many of the principals & mentors sharing their experiences and initiatives taken by them for conserving energy. The forum also addressed doubts and suggested initiatives for improving the program.

We also had a presentation by the Mrs. Mathias Principal of Queen's Mary High School, Grant Road on the initiatives taken by schools in the area of Energy Saving & conservation of resources.

Also Mr. Sudeep Mehta of St. Mary's High School, Malad; showed us a video made by them on saving Electricity called "Bijli".

Finally, the representatives of the 37 old schools present at the Meet, were felicitated with the school trophy and provided a photo opportunity.
