

Rally by Raval International School

On 13th January 2011, students from Raval International School took to the streets the message of Energy Conservation.

A total of 125 students and seven teachers conducted a rally that covered a distance of 2 kms in Mira Road.

The enthusiastic group of students was successful in spreading awareness by voicing the six golden rules for saving energy. They sensitized over 2500 people during the rally! Well done Ravalities!
